

Maidstone & Mid Kent autotesters 'clean up' at BTRDA awards luncheon

The BTRDA annual awards presentation and luncheon, held at Moor Hall – Sutton Coldfield, on Sunday 31st January 2010 – is always a grand affair and fitting end to a year of National motorsport championships.

2009 proved to be a great year for MMK autotesters, winning two championships outright and collecting the prestigious 'Flather Shield' for best event in the 'demon tweeks *direct*' BTRDA Autotest Championship.

'Masters of ceremony' for the autotest awards, were Helen Perren (Autotest ladies champion) and our own **Ann Cook**. Between them, they did an excellent job and Ken Ankers from 'demon tweeks' was on hand to present the trophies.
